**Fastening System Assembly for all Budget Blocks:**  
Each Budget Block has velcro sewn along each edge on the bottom side. Use the Velcro Strips (FM0713) to Join Budget Blocks together (See Illustration).

Bottom side of Budget Block  
w/velcro strips sewn on.

- 1 Attach one half of the Velcro Strip (FM0713) to sewn-on velcro on bottom of Budget Block as shown.
- 2 Set next Budget Block firmly against the first to insure the exposed half of the Velcro Strip adheres to the block's sewn-on velcro.
- 3 Budget Blocks may be attached in many different configurations.
